SUPPLEMENT TO REPORT NO.

1. Archimandrite Goradz Anguelov, who was sent to Istanbul on 1 June 1947 as Cultural Attaché to the Bulgarian Legation but whose actual mission was to arrange for his recognition by the Turkish authorities and the Patriarchate of the Phanar as Archpriest of the Bulgarian Church in Istanbul and as representative of the Bulgarian Exarchate, has finally received the official recognition by the Patriarchate in Istanbul of this double capacity. This decision has been officially communicated to the Exarchate in Sofia.

2. In the meantime, Anguelov has been recalled to Sofia, where he will presumably be kept because of his connection with Stefan, the recently disgraced Exarch.
